30th November 2020

Dear Parents and Carers

Re: Admissions Policy Consultation 2022-23

The Trustees of Perry Hall Multi Academy Trust (PHMAT) are consulting on the admission arrangements for Western Springs Primary. The consultation, with regards to the proposed changes to the Admissions Policy for admission to the school from September 2022, is commencing on 30th November 2020 and will conclude on Monday 11th January 2021.

These arrangements will apply for pupils who will be starting primary school in September 2022, or those requesting admission to the school from September 2022 onwards.

The admission arrangements will be administered on behalf of the MAT by the City of Wolverhampton Council (CWC).

We would welcome your views on the proposed arrangements, which includes changes from those agreed for previous academic years.

The main changes being proposed are:

- Inclusion of a new “children of staff” criteria for children whose parents are members of staff at the school as defined in the draft Supplementary Information Form; and
- Removal of the “catchment area” criteria, in order to prioritise children who live closest to the school.

The consultation documents can be viewed on the MAT website (www.perryhallmat.co.uk) the individual schools’ website (www.westernsprings.staffs.sch.uk) and the CWC website (www.wolverhampton.gov.uk) The consultation has been communicated on behalf of the MAT by CWC.

Printed copies of the proposed admission arrangements will be available on request at the school front office. You are invited to have your say on the Admissions Policy by email to Emma Dyas at info@perryhallmat.co.uk or by handing in written feedback to the school offices marked **FAO: Mrs Sarah Powell– Admissions 2022.**

Any comments must be received by Monday 11th January, at which point the consultation process will end.

We look forward to receiving your views on our proposal.

Yours faithfully,

Sarah Powell
Head of School
