Dear Parent/Carer,

Consultation re: Mesty Croft Academy joining Perry Hall Multi Academy Trust (PHMAT)

As you will be aware, during the Autumn Term we entered a period of consultation with parents/carers and staff with regards to the above and we would like to thank you for the feedback, comments and support provided. Please find attached responses to the direct questions received during the consultation process.

The Governing Board have now reviewed options and after thorough consideration of all information and feedback, have decided to progress with our application to join the Perry Hall Multi Academy Trust (PHMAT). We are fully confident that this strategic move will ensure that Mesty Croft continues to support our children to reach the best outcomes possible and support our journey to becoming an outstanding school, within a proven and aligned group of schools. This decision and rationale was presented to the Academy's Members and ratified on Thursday 14th January 2021.

Our next steps will be to await confirmation from the Regional School's Commissioner (RSC), who will need to approve the conversion. We anticipate the conversion will take place in July 2021.

As previously mentioned, parents/carers and children will see and feel minimal change or impact as a result of the conversion. We will however keep you updated as we progress through the process.

We would like to thank you again for your continued engagement and support for Mesty Croft and wish you all well.

Yours sincerely,

The Governing Board of Mesty Croft Academy
